

Dear Parents,

The Indian River School District realizes that success for students is increased when families and educators work together. The Macmillan McGraw-Hill reading series offers many technology components that may be used at home to help your child successfully master the skills expected for his or her grade level. Our goal is to provide a variety of opportunities for all students to succeed. The MacMillan McGraw Hill website represents another avenue in which the home school partnership can be strengthened. We hope you enjoy the experiences that it provides.

How to make the most out of Macmillan McGraw-Hill's Website for *Treasures*

1. Type in the URL www.macmillanmh.com
2. Select the "Reading" button on the left side of the screen
3. Hover over the "Student Resources" button on the left side of the screen and then select your state from the menu
4. Find your grade level and select the book
5. Find the unit you need and then select the story for the week under the unit

Once you have completed the above steps, there are several options to choose each week to choose from to enhance the literacy experience for your child. The activities include the following:

- Oral Language Activities
- Spelling and Vocabulary Activities
- Research and Inquiry Activities
- Computer Literacy Activities
- Author and Illustrator Information

After you have explored the resources available for students, please view the *Treasures Online Editions*. This web portal provides complete, searchable versions of the Pupil and Teacher Books by following these steps:

1. Type in the URL www.macmillanmh.com/ose
2. In the space provided for Student Login please enter one of the following access codes:

| | |
|----------------------|----------------------|
| Grade 1 - AAF67402CF | Grade 4 - C06AFE8983 |
| Grade 2 - D57196040C | Grade 5 - A3F7CC3020 |
| Grade 3 - CD05A3BDDA | |

3. You will then see the Online Student Edition for the grade level you selected.

By reading your child's classroom stories at home, you can help your child with reading fluency, building background knowledge, and provides additional vocabulary practice. It is the hope that by reading the classroom stories with your child, you will help build a bridge between school and home learning.
